

outer **40** capital, llc

SOCIALLY responsible, *STRATEGICALLY* focused

The members of *outer40* are committed to investing their funds and time in a socially responsible manner. They focus on undervalued or growth assets including: liquid stocks & stock funds, tax-exempt bonds & bond funds, commodities & commodity ETFs, real estate and emerging companies. Its members and contract affiliates also provide strategic and tactical advisory services on a limited basis for approved engagements with regard to raising capital.

With over three decades of experience in investment banking, commercial banking, insurance and project finance, we attempt to maximize value through timely and strategic investment as well as thoughtful and focused advice.

Finding hidden value by providing experience-based advice.
